4 March 2020

Congratulations on being offered a place here at St Ignatius College. The waiting is over and you can now be confident that you will be an Ignatian in September. We are delighted that you will be joining our community.

There will be so much for you to do once you get here, both in and outside the classroom. We have a really rich extra curricular programme which I am confident that you will participate in. It includes Mandarin classes, Latin classes, dance, philosophy club, talk club and STEM club in addition to the extensive music offer which includes choir, jazz, orchestra and the wide sporting offer which includes rugby, football, swimming, cricket, basketball and athletics. There is something for everyone and I know that you are going to really enjoy your time here.

**On Wednesday 1 April**, we have a welcome event for you and your parents/carers. On that evening, you will have the opportunity to meet some staff and students and find out a little bit more about what life will be like next year. The event starts at 6pm and will last no longer than an hour.

In the summer term, you will join us for a full day where we will introduce you to life at St Ignatius College so that you are prepared for September. We look forward to meeting you on 1 April.

With every best wish,

**Mary O'Keeffe**
