19 November 2020

Dear Parent/Carer

Year 11 Mentoring Afternoon - Thursday 26 November

I hope that the remote learning is going well for your son. We are very pleased with the excellent attendance to remote lessons. When your son returns on Wednesday 25 November, normal lessons will resume in class. After school intervention will also take place on that Wednesday, after school.

As part of our ongoing commitment to supporting our students to achieve as highly as possible, we have devoted after school on Thursday 26 November to individually mentor each of our Year 11 students. This is a significant commitment for the school as it is usually our staff training and meeting afternoon. We have cancelled staff meetings on that afternoon as we are confident that our students will benefit enormously from the mentoring. Students will not miss any curriculum time for the mentoring.

On Thursday 26 November, lessons will take place as normal. After school ends, Year 11 students who have an appointment at 2:45pm will head directly to their allocated appointment. Your son will be issued with his mentoring time and room on Wednesday 25 November. All other Year 11 students must go to the hall, where they will undertake private revision/study until they are called for their mentoring appointment. The appointments will take place from 2:45pm to 5:00pm. Your son will be able to leave school after his mentoring appointment. Please ensure your son lets you know the time of his meeting and that he plans his journey home after the meeting.

The mentoring will be carried out by a member of staff who will ensure that all social distancing guidelines are followed.

As part of the mentoring session, students will receive their latest PPE grades and effort grades. It is imperative that, as teachers and parents, we work in partnership to address the needs of your son. Please do discuss the PPE grades with your son and the issues that they may raise. I know I can wholeheartedly count on your support in achieving the best possible outcomes for your son.

If you have any queries, please do not hesitate to contact me on 01992 717835.

Yours sincerely

J Carrigy
Deputy Headteacher
